Want to know more about us?

The LedgeRock is a venue built to impress you and your guests. Located in Orangeville, NY, The LedgeRock is a newly renovated barn situated on 120 secluded acres and provides unique, unparalleled access to some of nature's most scenic views.

THE PROPERTY:

Hidden in the rolling hills of Wyoming County, TheLedgeRock sits nestled at the end of a private drive. Three beautiful ponds grace the property, with two being located on either side of the driveway as you enter, and the third located within arm's reach of the covered porch attached to the barn.

Behind the barn, a long, spacious landing cuts through steep ravines that roll off on all sides, making it a truly unique and picturesque spot for a ceremony. An old roadway winds down the side of this landing and gives way to a secluded waterfall.

BRIDAL SUITE:

The Little House at Dutch Flats is located on the property. This newly renovated guest house is a quaint three-bedroom home with an open floor plan and a modern feel.

The house is equipped with central air, Wi-Fi, a bridal suite, and all the amenities to make you feel at home.

THE GUEST HOUSE AIRBNB:

A spacious three-bedroom, two-and-a-half-bath home designed for comfort and relaxation. The open-concept layout features a generous kitchen with an eating bar, a welcoming dining area, and a bright living room with vaulted ceilings and stunning floor-to-ceiling windows overlooking picturesque landscape views. Step outside onto the wraparound deck—perfect for unwinding and enjoying the serene surroundings.

THE BARN:

- Built in 1910 by H.G. Glor, the barn maintains its century-old authenticity and charm while boasting some modern updates that create a "Rustic Elegance" for all events.
- A spacious covered porch built from Larch trees cut on the property adorns the east side of the barn.
- Inside, two large crystal chandeliers radiate their light through the entire barn and provide the lighting effect desired for your event.
- The barn has three levels, hosting a capacity of 268 with seating on all three levels. Groom's lounge sets the tone with a pool table, darts, BigBuck Hunter, a lounge area, a kitchenette, Wi-Fi, a bar area with a cooler, mirrors, and a restroom.
- A large bar area is located in the middle of the barn, featuring a turn-of-the-century wooden ice box-turned-refrigerator to keep all your drinks ice-cold. The bar top itself was cut from a large cherry tree that fell on the property. This space is also equipped with drink ice & water.
- The barn also features a large catering kitchen with a full-size ice machine that will provide a convenient preparation area for any caterer's needs.
- Spacious parking area, including handicapped parking.
- Indoor handicap accessible restrooms.
